## Career Objective

A passionate and committed primary education professional seeking to leverage over four years of classroom experience to foster early childhood development and foundational numeracy. Dedicated to creating inclusive, engaging, and technology-integrated learning environments, with a strong interest in contributing to global educational research and teacher training initiatives.

---

## Academic Profile

An enthusiastic and dedicated primary education professional with over 4 years of experience teaching children aged 4–11. Holds a B.Sc(Ed) in Science Education (Mathematics) and a teaching certificate from the Teachers Registration Council of Nigeria. Passionate about improving educational outcomes in early childhood, with a focus on inclusive learning strategies, child development, and the integration of technology in teaching. Interested in contributing to global educational research, especially around foundational numeracy and early learning in low-resource settings.

---

## Research Interest

The effectiveness of pedagogical interventions for numeracy development, inclusive classroom practices, and the role of teacher training in improving foundational learning outcomes.

---

## Academic Qualifications

B.Sc(Ed) in Science Education (Mathematics), Nnamdi Azikiwe University, Awka (2012–2016)  
Teaching Certificate, Teachers Registration Council of Nigeria (2017)

---
